Boise, ID 83707

Attn: Charlene McArthur, Chief Administration Officer

RE: 2020 STIP Amendment #H18

Dear Mr. Ness:

This amendment provides for the addition of one new project to the current (FY 20-23) STIP as detailed in ITD's December 8, 2020 letter request.

FHWA has determined that:

1. The changes to the program are not intermodal in nature and will not affect the State's conformity process and, therefore, FHWA has sole approval authority.
2. No further public involvement is necessary for this action.
3. The proposed amendment is based on a planning process that substantially meets the requirements of Title 23, U.S.C., the Federal Transit Act and 23 CFR 450.

In consideration of the above, 2020 STIP Amendment #H18 is approved as requested.

Sincerely,

R. Scott Frey
Transportation Engineer

SUBJECT: **FY 2020 – 2026 STIP AMENDMENT – December 8, 2020 # H18**

Dear Mr. Hartman:

The attached project is new to the STIP. It was approved by the Idaho Transportation Board at their November 19, 2020 meeting.

The Department requests that the addition of these projects be amended to the FY 2020 – 2026 STIP so that funds may be obligated as planned. The full FY 2021 – 2027 STIP will be submitted to FHWA/FTA in November.

No further public involvement or air quality conformity analysis is required. The Idaho Transportation Department certifies that the above actions meet all applicable requirements as described in 23 CFR 450.218 of *Planning Assistance and Standards*. The STIP continues to be consistent with the Idaho Transportation Department's 2040 Long-Range Transportation Plan as approved by the Idaho Transportation Board in 2019.

Sincerely,

A handwritten signature in cursive script that reads "Chris Bray".
