RE: FY2020-2026 Idaho STIP Amendment T05 – *Approved*

Dear Mr. Ness:

The Federal Transit Administration (FTA) has reviewed the 2020-2026 Idaho STIP Amendment T05 request dated November 23, 2020. The attached amendment includes adding a new public transit project (KN#23091) from the Community Planning Association of Southwest Idaho (COMPASS) updated Transportation Improvement Program (TIP).

FTA finds that the proposed amendment is based on a planning process that substantially meets the requirements of Title 23, U.S.C., the Federal Transit Act and 23 CFR 450. These changes are approved as part of the 2020-2026 Idaho STIP.

Sincerely,

Ned Conroy

SUBJECT: **FY 2020 – 2026 STIP AMENDMENT – November 23, 2020 # T05**

Dear Ms. Gehrke:

The attached project is new to the STIP. The Community Planning Association of Southwest Idaho (COMPASS) updated their Transportation Improvement Plan with Amendment #6 on November 12, 2020.

The Department requests that the addition of this project be amended to the FY 2020 – 2026 STIP so that funds may be obligated as planned. The full FY 2021 – 2027 STIP will be submitted to FHWA/FTA in November.

No further public involvement or air quality conformity analysis is required. The Idaho Transportation Department certifies that the above actions meet all applicable requirements as described in 23 CFR 450.218 of *Planning Assistance and Standards*. The STIP continues to be consistent with the Idaho Transportation Department's 2040 Long-Range Transportation Plan as approved by the Idaho Transportation Board in 2019.

Sincerely,
