RE: 2021 STIP Amendment #H13

Dear Mr. Ness:

This approval provides for the creation of a new STIP Group entitled Rest Area Projects and the associated addition of funding for that group as detailed in ITD's November 22, 2021 request letter.

FHWA has determined that:

1. The changes to the program are not intermodal in nature and will not affect the State's conformity process and, therefore, FHWA has sole approval authority.
2. No further public involvement is necessary for this action.
3. The proposed amendment is based on a planning process that substantially meets the requirements of Title 23, U.S.C., the Federal Transit Act and 23 CFR 450.

In consideration of the above, ITD's 2021 STIP Amendment #H13 is approved as requested.

Sincerely,

R. Scott Frey  
Transportation Engineer
