RE: FY2021-2027 Idaho STIP Amendment T01 – *Approved*

Dear Mr. Ness:

The Federal Transit Administration (FTA) has reviewed the 2021-2027 Idaho STIP Amendment T01 request dated February 22, 2021. The attached amendment includes adding a public transit project (KN#22509) from the Community Planning Association of Southwest Idaho (COMPASS) updated Transportation Improvement Program (TIP).

FTA finds that the proposed amendment is based on a planning process that substantially meets the requirements of Title 23, U.S.C., the Federal Transit Act and 23 CFR 450. These changes are approved as part of the 2021-2027 Idaho STIP.

Sincerely,

Ned Conroy

SUBJECT: **FY 2020 – 2026 STIP AMENDMENT – February 22, 2021 # T01**

Dear Ms. Gehrke:

The Public Transit project in the attached amendment adds one project to the STIP. This project was originally scheduled in FY 2020, however was not obligated and is being requested to be added back to the STIP in FY 2021.

The Department requests that the project revision be amended to the FY 2021 – 2027 STIP so that funds may be obligated as planned.

No further public involvement or air quality conformity analysis is required. The Idaho Transportation Department certifies that the above actions meet all applicable requirements as described in 23 CFR 450.218 of *Planning Assistance and Standards*. The STIP continues to be consistent with the Idaho Transportation Department's 2040 Long-Range Transportation Plan as approved by the Idaho Transportation Board in 2019.

Sincerely,

A handwritten signature in cursive script that reads "Chris Bray".
