RE: 2023 STIP Amendment #H8

Dear Mr. Stokes:

This approval amends the 2023 STIP to add seven projects, as requested in the attached ITD September 5, 2023, letter. This approval is based on the following

- The changes to the program are not intermodal in nature and will not affect the State's conformity process and, therefore, FHWA has sole approval authority
- ITD certifies they have the mechanisms in place to ensure compliance with new rules required by the Bipartisan Infrastructure Law
- ITD is using obligation authority and therefore maintains fiscal constraint
- ITD continues to demonstrate progress toward addressing the corrective actions noted in the 2023 Federal Finding
- This action does not serve as an eligibility determination of approval of Federal participation as some programs may have additional program requirements

In consideration of the above, ITD's 2023 STIP Amendment #H8 is approved, as requested.

Sincerely,  
**PETER J  
HARTMAN**

SUBJECT: **FY 2023 – 2029 STIP AMENDMENT – September 5, 2023 # H8**

Dear Mr. Hartman:

The attached list includes sixteen projects, requesting additions and advancement of designs. One advances the design of a FLAP project, and fifteen are for Local program additions and design advancements. Western Federal Lands is transferring funding to ITD in FMIS for the FLAP project, and the Local program projects will utilize available OA in their respective programs from redistribution, therefore maintaining fiscal constraint of the STIP.

The projects in this Amendment were included in the 8/25/23 – 9/3/23 public comment periods, and comments were shared with IT Board members for consideration.

The Department requests that these projects be amended to the FY 2023 – 2029 STIP so that funds may be obligated as planned.

No further public involvement or air quality conformity analysis is required. The Idaho Transportation Department certifies that the above actions meet all applicable requirements as described in 23 CFR 450.218 of *Planning Assistance and Standards*. The STIP continues to be consistent with the Idaho Transportation Department's 2040 Long-Range Transportation Plan as approved by the Idaho Transportation Board in 2019.

Sincerely,

A handwritten signature in black ink that reads "Colleen Wonacott".
