

CAPABILITY STATEMENT

Firm Profile

Stevens Historical Research Associates (SHRA) is a certified woman-owned, disadvantaged business enterprise, (DBE) based out of Boise, Idaho. Since 2004, SHRA has offered clients cultural resource management, litigation support, and historical analysis services. SHRA consists of a team of professionals who have advanced degrees in history, heritage resource management, and environmental sciences. Members of SHRA's staff exceed the Secretary of Interior's Professional Qualification Standards for both History and Architectural History/Historic Preservation. SHRA is an Equal Opportunity Employer serving clients across the United States.

Core Competencies in CRM

SHRA staff have cultural resource experience in the following areas:

- NHPA (1966) Section 106 compliance methods and requirements including professional consultation with stakeholders to develop creative mitigation strategies for the preservation of historic resource(s);
- Cultural resource inventory and survey of above-ground cultural resources;
- Historic site analysis;
- Full suite of Cultural Resource Inventory Techniques, including architectural inventories for the Determination of Eligibility for the National Register of Historic Places;
- Architectural Inventories, Cultural Landscape Reports, and Historic American Landscape Surveys;
- Historic American Buildings Survey (HABS) and Historic American Engineer Record (HAER) reports.
