RE: Pre-Advertisement Project Overview

ITD Project Key Number: 22715: SH-55, Farmway Rd to Middleton Rd, Canyon County

**To Interested Construction Contractors:**

ITD invites interested contractors to participate in the pre-advertisement presentation meeting on June 10<sup>th</sup> 2024, for the SH-55 construction project between Farmway Rd and Middleton Rd. ITD is preparing to advertise this project in late summer 2024. ITD will present an overview of the project's scope and key features. This will help both ITD and the contracting community prepare for a successful project overall.

The total project limits is on SH-55 from Middleton Rd in Nampa, Idaho to approximately five miles west at Farmway Rd in Caldwell, ID. This project interfaces with the I-84 Karcher IC project on the east end which is currently under construction. The project will widen and reconstruct SH-55 to a five lane highway, includes multiple bridge replacements, 10 miles of separated concrete pathway, three soundwalls and substantial irrigation and utility relocations.

ITD is asking for your active participation. Please join us for the pre-advertisement presentation scheduled to begin at 9:00 a.m. (MST) on Monday, June 10, 2024 using the Webex link below:
