ENGINEERING MANAGER

Key Number(s) 23244

FROM: JASON MINZGHOR, P.E.
DISTRICT SIX ENGINEER

Program ID, County, Etc.
US 20, MP 291 TO IDAHO FALLS, BONNEVILLE CO.

RE: DESIGN APPROVAL AND WAIVER OF PUBLIC HEARING

The Project Charter was approved January 21, 2025, the Environmental Document was approved on August 31, 2026, and the Final Design Review was held on, September 1,2026.

The hearing is waived based on the following:

- No right of way is being acquired for the project.
- No substantial change to the function of the connecting roadways.
- No significant adverse impact on abutting property and no public controversy is anticipated.
- No significant social, economic, and/or environmental effect on the surrounding area.

Design approval is granted for this project.

The District will proceed with the project development.

If significant changes occur on this project, this waiver and design approval will be re-evaluated.

Jason Minzghor, P.E.
District Six Engineer
