

I-15 ARIMO TO McCAMMON BRIDGES EARLY APRIL TO OCTOBER 2018

The Idaho Transportation Department is repairing five bridges on Interstate 15 between Arimo and McCammon. The majority of these bridges were constructed in the 1960s and 70s. The repairs will protect the structural integrity of the bridges for many years.

The bridges include:

- Merrill Road (Exit 47)
- Robin Road
- Jensen Road (Exit 44)
- Virginia Road (Exit 36)

Traffic impacts:

- I-15 will be reduced to one lane in each direction in the project area.
- Both north- and southbound traffic will travel on the same side of I-15.
- Local roads may be reduced to one lane with flaggers.
- Overnight work on Merrill Road will occur from 7 p.m. to 7 a.m.
- The speed limit will be reduced in the work zone.

CONSTRUCTION AHEAD – 2018

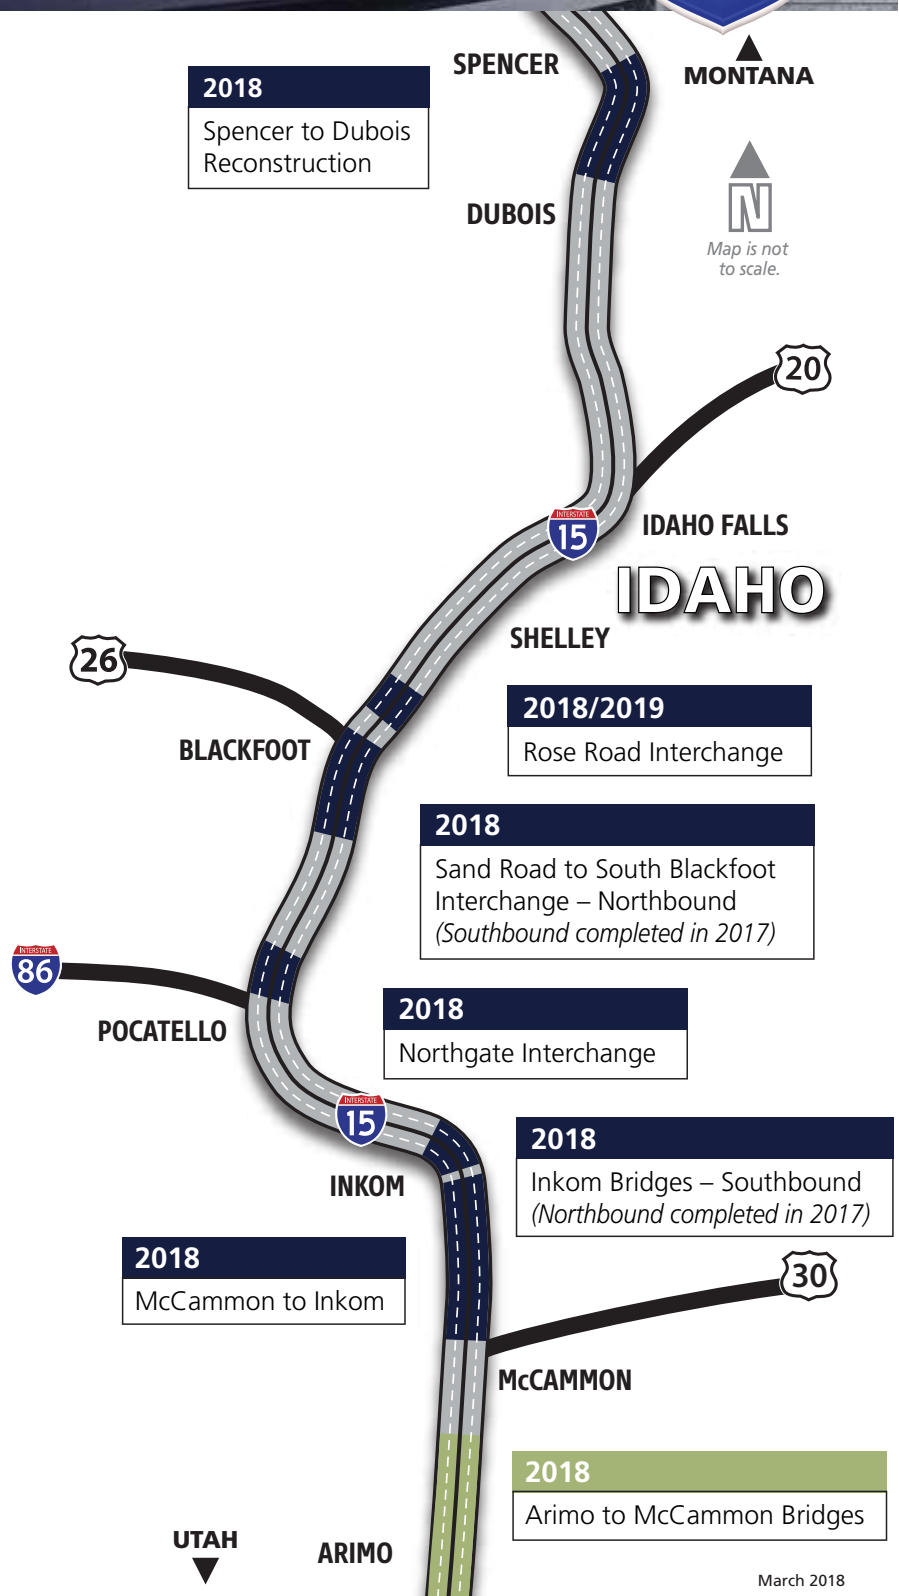

The Idaho Transportation Department is continuing a multi-year project to repair and maintain Interstate 15 in eastern Idaho.

The 2018 construction season will involve numerous bridge improvements, new pavement and guardrail in several locations between the Utah and Montana borders.

To help you drive through construction, please:

- Plan extra time to travel through the construction zones.
- Pay attention to signage and changing traffic patterns.
- Slow down as speed limits will be reduced.
