

I-15 INKOM BRIDGES MAINTENANCE PROJECT EARLY APRIL TO LATE MAY

The Idaho Transportation Department will resume maintenance work on several bridges in Inkom:

- South Inkom Interchange overpass (southbound lanes)
- Rapid Creek Bridge (southbound lanes)
- Main Street Bridge

This project began in 2017 and includes making repairs and replacing guardrail along the bridges. These bridges were built in the 1960s and are showing signs of wear.

Traffic impacts:

- Interstate 15 will be reduced to one lane in each direction in the project area.
- Both north- and southbound interstate traffic will travel on the same side of I-15.
- The South Inkom Interchange westbound ramp will be closed on occasion.
- The speed limit will be reduced.

CONSTRUCTION AHEAD – 2018

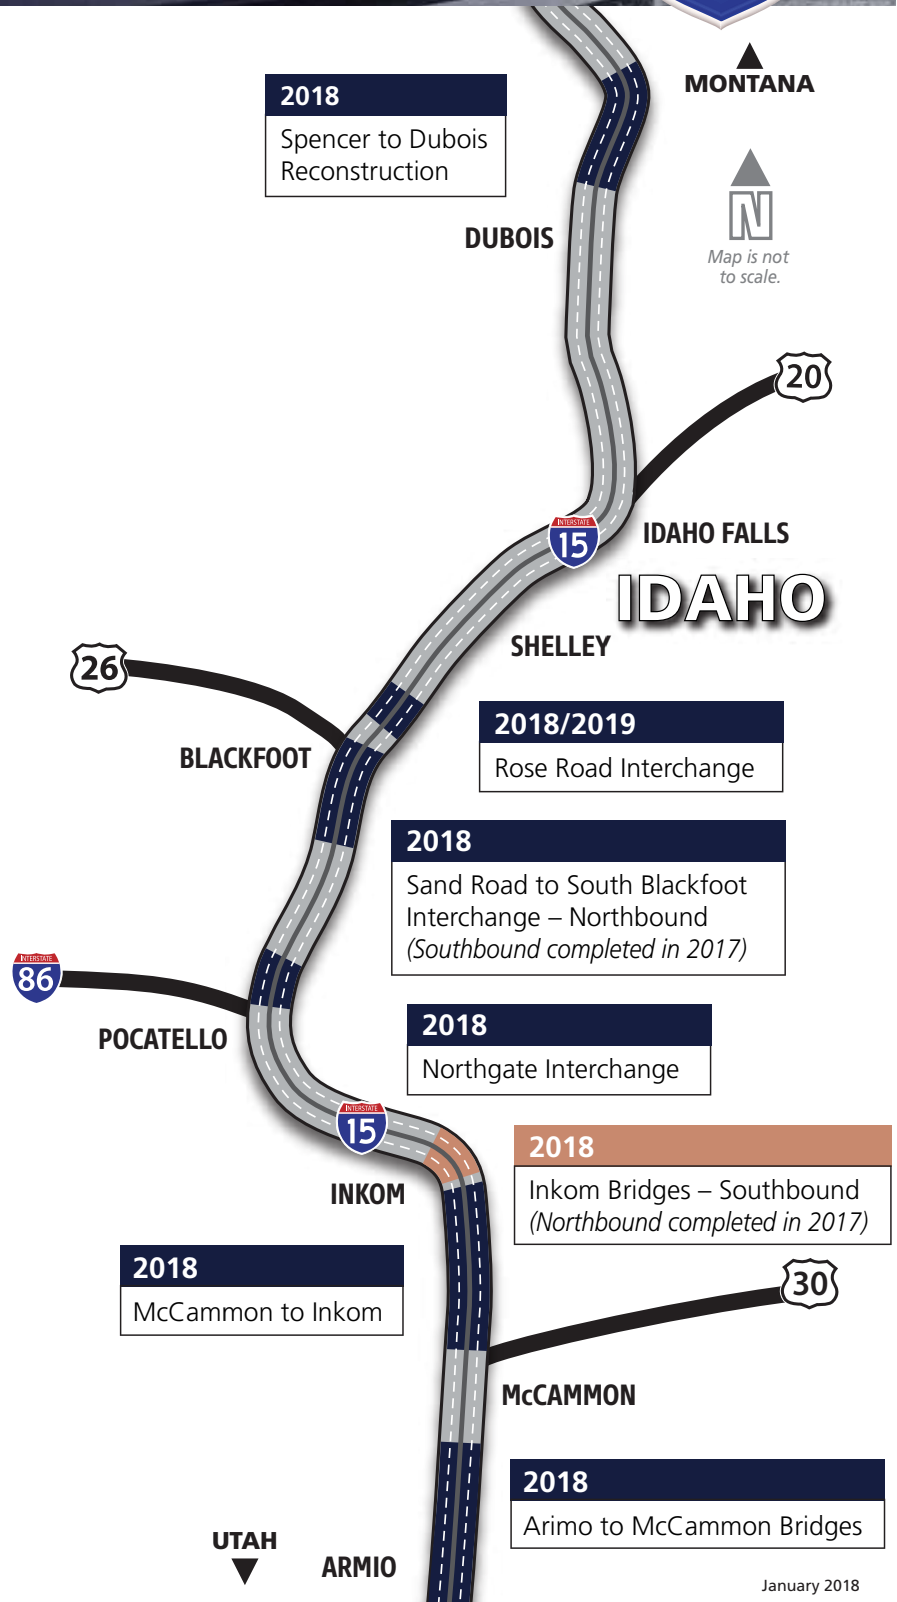

The Idaho Transportation Department is continuing a multi-year project to repair and maintain Interstate 15 in eastern Idaho.

The 2018 construction season will involve numerous bridge improvements, new pavement and guardrail in several locations between the Utah and Montana borders.

To help you drive through construction, please:

- Plan extra time to travel through the construction zones.
- Pay attention to signage and changing traffic patterns.
- Slow down as speed limits will be reduced.
