

CONSTRUCTION UPDATE

New traffic pattern on I-15 between Spencer and Dubois

The Idaho Transportation Department is reconstructing 8.3 miles of Interstate 15 between the towns of Spencer and Dubois in southeast Idaho. Starting this week, all I-15 traffic is using the southbound side while crews rebuild the northbound lanes.

[Download](#) a construction map showing the new traffic pattern.

What to expect during construction:

- Sheep Station Interchange (Exit 172) northbound ramps will be closed for several months.
- Spencer (Exit 180) northbound ramps will be intermittently closed.
- Detour routes will be clearly marked.
- The speed limit is reduced.
- Crews anticipate working six days a week.

Please plan extra time to drive through the construction zone, pay attention to signage and slow down.
