

Menan-Lorenzo Interchange opened July 29, 2011.

January 5, 2012

Thanks to all who participated in building the Menan-Roberts exit of U.S. 20 at Lorenzo.

I live in Annis and travel to Rexburg frequently. I have been battling the turn north onto U.S. 20 at that location since learning how to drive as a teenager.

It is so wonderful to get onto U.S. 20 smoothly. I don't have to wait to enter the highway or to cross four lanes of fast-moving traffic.

And I don't have to do all this on icy roads in the winter.

Thanks to the planners, workers and taxpayers. It was effort and means well spent.

Sincerely,

Linda Radford
