CORE COMPETENCIES

Kaliber Construction is a family owned and operated, full service concrete contractor. Started in Idaho, we come from a concrete construction family. Our staff consists of highly experienced and professional personnel. Experienced in the following:

- Sidewalks
- Curb and Gutter
- Handicap Ramps
- Foundations
- Drainage Structures
- Flatwork
- ADA Improvements
- Repair and Maintenance to Existing Concrete Work

We pride ourselves in achieving the highest standards of quality possible in every project. We provide construction services to the federal government, commercial entities, and state/county/city sectors.

Differentiators

Our team is comprised of individuals with over 20+ years of concrete contracting experience.

We strive to deliver quality concrete finish work and a work force that is reliable.

We are available to travel state wide.
