City of Lewiston – WWTP Waterline Extension:

The work includes:

Installation of approximately 2,800 lineal feet of water main between the intersection of 12th Street North and 7th Avenue North and the west side of the City of Lewiston's Wastewater Treatment Plant. Work includes but is not limited to: installation of 8" and 10" water main, tie into existing water mains, installation of new fire hydrants, reconnection of existing fire hydrant lines to new main, installation of two backflow prevention devices, and surface restoration.
