Sub-Committee Updates

- Networking/Social – Janet & Suzanne
  - Reached out to Templin's and received a catering menu. They are difficult to reach but they have a new marketing representative.
  - Hors d’oeuvres in lieu of a sit down meal to encourage interaction
  - Need more information on facility, no room booked yet. Tour would be beneficial.
  - Estimated 150 for attendees
  - Will vendors be sponsoring this?
  - Vendor booths there?

- Day 1 Showcase – Jody & Alisa
  - ITD-PT working with a marketing firm to do videos highlighting five transit agencies. Videos to take place in June/July. Waiting for cost estimate
  - Value to offering rides on the local bus.

- Day 1 What we could be – Larry & Maxine
  - Reached out to CTAA. They have some webinars upcoming regarding rural so they didn’t share too much.
  - Elk Transportation out of Florida. They are servicing about 20 different states. They are difficult to get a hold of. Partnering with schools and senior living centers.

- Day 1 Messages from DC – Kim
  - Kim is going to be connecting with CTAA.
  - Holding off doing too much outreach until a little later due to it being an election year.
• Day 1 Statistical Economic Development Data/Case Study – Suzanne
  o National RTAP Presenter John Martin – visionary, what is happening in public transportation and what’s going to happen down the road. Might be a great keynote.
  o APTA has a tool where you can input your budget data and it will produce an impact statement. It focuses on you as employer instead of the impact you services to your riders and the greater community.
  o Case study on an agency in Idaho to find out where everybody was going what kind of money was being spent on the bus every day.
  o Kootenai County did a strategic service plan included a data driven analysis that could potentially be leveraged. Currently completing a cost allocation model that includes data such as cost per person, cost per mile, and cost per route.
  o State level data may be too high level and less impactful.

• Vendor Showcase – Suzanne & Janet
  o Need more information on facility
  o 10 x 10 booths
  o Vendors specific to public transportation at this time, not multimodal

• Communication/Marketing Plan – Leslie, Larry, & Maxine
  o Larry has completed the draft of the letter for outreach.
  o Has ITD branding materials
  o Will be doing digital and hard copies
  o Alisa working on getting mailing list for Association of Idaho Cities (AIC) & Idaho Association of Counties (IAC)
  o Will need to focus on local businesses and outreach to chamber of commerce

• ITD-PT Updates
  o Ron engaged with CTAI
