### **GRANT AGREEMENT BETWEEN THE IDAHO TRANSPORTATION DEPARTMENT AND**

This Agreement is between the **Idaho Transportation Department** (hereinafter called the STATE) and (hereinafter called the Subrecipient). The STATE and the Subrecipient are entering into this Agreement.

This Agreement is effective when signed by both parties.

The 5311 Formula Grants for Rural Areas program provides capital, planning, and operating assistance to states to support public transportation in rural areas with populations of less than 50,000, where many residents often rely on public transit to reach their destinations.

WHEREAS the Governor of the State of Idaho has designated the Idaho Transportation Department to administer this grant;

**The parties mutually agree as follows:**

#### **1. SCOPE OF WORK:**

**Assumption of Responsibility:** The Subrecipient agrees to assume all responsibility for this Project. The Subrecipient further agrees to abide by the appropriate mutual covenants, promises, and representations included in the Federal Transit Administration (FTA) Master Agreement, with special emphasis on the sections pertaining to the particular funding source.

- 2. COMPLIANCE WITH LAWS AND REGULATIONS, FEDERAL CHANGES:** The Subrecipient agrees to comply with all applicable laws, regulations, and codes of the State of Idaho, the United States Government, and local governments. The Subrecipient shall at all times comply with all applicable FTA regulations, policies, procedures and directives, including without limitation those listed directly or by reference in the most current FTA Master Agreement included with, and incorporated into, this overall Grant Agreement, as they may be amended or promulgated from time to time during the term of this contract. Subrecipient's failure to comply shall constitute a material breach of this contract.

- B. Subrecipient Legal Authority to Accept This Sub-Grant:** The Subrecipient certifies that it has the legal authority to accept grant funds for this project.
- C. Subrecipient Debarment/Suspension Certification:** the Subrecipient entity certifies, to the best of its knowledge and belief, that it and its principals:
- i. are not currently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency, per the U.S. General Services Administration (GSA) monthly "Lists of Parties Excluded from Federal Procurement or Non-procurement Programs," available on the GSA web site:  
  
<http://www.sam.gov>
  - ii. have not, within the past three years, been convicted of or had a civil judgment against them for: a criminal offense or fraud in connection with obtaining, attempting to obtain, or performing a Federal, state, or local public transaction; a violation of Federal or state antitrust statutes; commission of embezzlement, theft, forgery, bribery, falsification or destruction of records; making false statements; or receiving stolen property;

## **5. STATE REQUIREMENTS:**

- A. Indemnification and Insurance:** In this section, "Subrecipient" includes the Subrecipient's employees, agents, and contractors.

The Subrecipient agrees to indemnify, hold harmless, and defend the State of Idaho, its officers, agents, and employees from and against any claim of or liability for error, omission, or negligent act of the Subrecipient arising out of the Subrecipient's assumption of the responsibilities for the Project set forth in this agreement.

The Subrecipient is not required to indemnify the State of Idaho for a claim of or liability for the independent negligence of the State. If there is a claim or liability for joint negligent error or omission of the Subrecipient and the independent negligence of the State, the indemnification and hold harmless obligation shall be apportioned on a comparative fault basis. The term "independent negligence" is negligence other than in the State's selection, administration, monitoring, or controlling of the Subrecipient.

Nothing contained herein shall be deemed to constitute a waiver of the State's sovereign immunity, which immunity is hereby expressly reserved. Moreover, all of the rights, defenses, or protections provided in Idaho Code and or in the Idaho Administrative Procedural Rules are expressly reserved.

- B. Independent Contractor Status**

Unless otherwise expressly stated, vendors and/or non-state entities acting pursuant to this grant shall be that of an independent contractor and not that of an agent or employee of the state. Such parties shall be responsible for paying all employment-related taxes and benefits, such as federal and state income tax withholding, social security contributions, worker's compensation and unemployment insurance premiums, health and life insurance premiums, pension contributions and similar items. Furthermore, such parties shall indemnify the State and hold it harmless from any and all claims for taxes (including but not limited to social security taxes), penalties, attorneys' fees and costs that may be made or assessed against the State arising out of the party's failure to pay such taxes, fees or contributions.

The Subrecipient shall maintain the policies of insurance listed below, to cover losses that may be incurred as a result of the operation and maintenance of project vehicles and/or equipment throughout their period of required use or as a result of other activities under this agreement.

Where specific limits are shown, they shall be the minimum acceptable limits. If the Subrecipient's policy contains higher limits, the State shall be entitled to coverage to the extent of such higher limits.

Your Safety.  
Your Mobility.  
Your Economic Opportunity.

- i. **Automobile Liability:** ITD-PT imposes minimum insurance coverage of \$500,000 on all transit vehicles procured with or rehabilitated with federal or state funds. Additionally, Sub-recipients must be in compliance with Federal Motor Carrier Safety Administration (FMCSA) insurance thresholds. The policy shall provide all damage arising out of personal injury to or destruction of property in any one occurrence on any revenue vehicle not covered by 49 CFR Part 387. Furthermore, ITD-PT subrecipients must be at all times in compliance with Idaho Administrative Rule 11.13.01.

The policy shall name the Idaho Transportation Department as “loss payee” of the property damage portion of the policy.

The Subrecipient shall provide *certificate of insurance to the State, annually* and at other times if requested. Each certificate must provide for a 30-day prior notice of cancellation, non-renewal, or material change of conditions.

The Subrecipient shall use any insurance proceeds relating to items purchased under this grant to repair or replace the covered item(s) that has been damaged, destroyed or stolen or; where specific items are not involved, to cover other liability related to this grant project. The title to any replacement vehicle must show the State of Idaho as lien holder.

- C. **Performance Requirement:** The failure of the State to insist upon strict performance by the Subrecipient of any provision or covenant in this Agreement, in any one or more instances, may not be considered as a waiver or relinquishment of the provision or covenant for the future. The waiver by the State of any provision or covenant in this Agreement cannot be enforced or relied upon by the Subrecipient unless the waiver is in writing and signed on behalf of the State.

## 6. TERMINATION PROVISIONS:

- A. **Failure to Perform:** If, through any cause, the Subrecipient shall fail to fulfill in a timely and proper manner its obligations under this Agreement, or if the Subrecipient shall violate any of the covenants, agreements or stipulations of this Agreement, and if after notification by the State of such failure or violation, the Subrecipient fails to take proper corrective action within a reasonable amount of time, the State shall have the right to terminate this Agreement by giving written notice to the Subrecipient of such termination and specifying the effective date thereof. Such notice shall be given at least 15 days before the effective date of such termination. In that event, all finished and unfinished documents, data, studies, surveys, drawings, maps, models, photographs, reports, construction materials, and any construction completed by the Subrecipient under this Agreement shall, at the option of the State, become the State's property and the Subrecipient shall be entitled to receive just and equitable compensation for any satisfactory work completed. Failure to adhere to Project Schedule and any reporting requirements may be deemed by the State to be a "failure to perform" and may result in the loss of the award, at the option of the State.
- B. **Convenience Termination:** If, due to changed circumstances, the State or the Subrecipient wishes to terminate this Agreement prior to its completion, the initiating party shall notify the other party in writing of its reasons for requesting the early termination. This request must be made at least 15 days prior to the proposed termination date. If both parties agree that it is in their mutual best interests to terminate this Agreement early, all finished or unfinished documents and other

*Your Safety.  
Your Mobility.

materials as described in the Failure to Perform paragraph above shall, at the option of the State, become the State's property. If the Agreement is terminated as provided herein, the Subrecipient shall be reimbursed for actual expenses not otherwise reimbursed under this Agreement which were incurred by the Subrecipient during the contract period and which are directly attributable to the Subrecipient's performance of this Agreement. The State shall also reimburse the Subrecipient for any costs properly incurred by the Subrecipient in honoring convenience termination clauses in its Agreements with its contractors as long as these clauses conform to the standard convenience termination clause used by the State for similar types of contracts.

## **7. NONCOMPLIANCE; DISPUTES; REMEDIES**

- A. Recovery of Funds:** In the event of a default or violation of the terms of this Agreement, the State is entitled to recover all or part of the project funds paid to the Subrecipient. If Subrecipient does not promptly remit the funds in response to a demand, the State may collect the debt by:
- Making an administrative offset against payments that would be due under other grant awards or appropriations,
  - Withholding advance payments that would otherwise be due,
  - Instituting civil action, or
  - Taking any other action permitted by law.

All remedies conferred on the State by this Agreement or any other instrument or agreement are cumulative, not exclusive, and may be exercised concurrently or consecutively at the State's option.

- B. Enforcement:** The State may take one or more actions in the event Subrecipient fails to comply with the terms of the award. Upon written notification explaining the basis of the action, the State may suspend the grant pending corrective action or terminate the grant. The State may impose conditions requiring correction of noncompliance or deficiency. If conditions are imposed, the State will inform Subrecipient of the conditions and corrective action sought, the reason for imposition, and the time allowed for completing corrective actions.
- C. Rights and Remedies:** The duties and obligations imposed by the Agreement and accompanying documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by the State or Subrecipient shall constitute a waiver of any right or duty afforded any of them under the Contract, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach there under, except as may be specifically agreed in writing.

Your Safety.  
Your Mobility.  
Your Economic Opportunity.

**A. Billing Procedure and Reimbursements:** The Subrecipient agrees to formally request reimbursement by submitting to the State an itemized invoice(s) for allowable project costs. Each invoice shall clearly identify each cost being billed and shall be in a format acceptable to or specified by the State, with supporting documentation of cost and payment as required below, and other documentation as may be required by the State.

**B.** Requests for reimbursement must be submitted based on the following timeline:
